**If there is any chance you can do both the Big Way Camp as well as this 100-Way Camp we strongly recommend you do so for two reasons:**

**1) The Big Way Camp is a great event that gives you an opportunity to fly a different slot every day. Diving, floating, center, outside, and you will do it all in a no fault environment.**

**2) Big Way Camp participants have priority for slots on the 100-Way Camp. Some of the Big Way Camp participants that wish to do the 100-Way Camp may receive a "conditional" invite based upon proving their ability during the camp.**

**Basically by doing the Big Way Camp you will guarantee your slot on the 100-Way camp. If you can't attend both events then send in this 100-Way Camp registration/application form as soon as possible and we will let you know if you have a slot as quickly as we can.**
